

Steve Wills Resignation Letter

My first nine years (FY12-13 to FY20-21) as President had a Board that accomplished much, had a central purpose of community, and got along well. Since that time, a split has grown in our community. Linda Pedersen and I re-ran and won for the board in 2021 with the intent of trying to unite the split and make the Board more productive. However, the attempt has failed and the split keeps growing.

Unfortunately, it became clear at Saturday's (05/18/24) Special Board Meeting on the 2024-2025 Election cycle, the moral compass of the New Guard coming into power is not aligned with mine and are almost polar opposites. The experienced Board Members are now labeled the "Old Guard" and with old ways. Time to move on. I hereby resign as Board Member, Director of Commons, and Architectural & Maintenance Chairperson on this day, 05/22/2024.

I want to give a very warm thanks to all the landowners that supported Linda and I over all these years and helped make this ranch what it is.

Thanks for listening,

Steve Wills
