

2021 TRLA Annual Mtg

TRLA Board of Directors regretfully wish to inform the membership of President Don Ouellette's passing. Don faithfully served on the Board since May of 2018 as Director/Board Member of Roads before taking the helm as President in 2021. He stepped forward to help with special Board projects along with accommodating landowners with road maintenance needs. Don left a mark in Timberlake and we are committed to his memory.
